Shooting behind the scenes content to be used by the West End show on Social Media to announce the line up of the 2022 lead cast.

*Camera Operator - Wired Defence - Paradigm Creative - Dec 2021*

A hybrid live stream event made up of zoom phone ins and interviews with scientist and defence experts for a Wired Magazine audience.

*Camera Operator - Cinderella - The Cleveland Agency - Dec 2021*

Shooting social media Christmas content for the west end show Cinderella.

*Camera Operator - TK Maxx Comic Relief- Nifty 50 - Nov 2021*

This shoot was done at the photo shoot for the TK Maxx Comic Relief t-shirt campaign it involved different celebrities like Rylan Clark and Aisling Bea.

*Camera Operator - F45 documentary -Sora Media- Nov 2021*

A remote shoot where director/producer was based in Singapore asking questions over a laptop video call, while I rigged the lighting and camera in the studio in London.

*Ronin Operator - East England Tourist video- Movemedia TV - Oct 2021*

Shooting different tourist attractions about East of England to be used as part of the 2022 tourism campaign.

*Cinematographer/Director - Devolution - Proportion Productions - Oct 2021*

A micro budget feature film shot around London and Kent, this project had a heavy VFX based story line so I worked along side the producers, to make sure we had enough and kept the project with in budget.
